## Generic Drug Bills in 112th Congress

---

The 112th Congress has introduced the following bills below to ensure consumers have continued access to generic drugs:

➤ **Preserve Access to Affordable Generics Act (S. 27)**

Prohibits brand name drug companies from compensating generic drug companies for delaying introduction of new generic drugs into the market.

➤ **Fair Prescription Drug Competition Act (S. 373 and H.R. 741)**

Prohibits a brand name drug company manufacturing, marketing, selling, or distributing a generic version of their brand drug until the first-time generic manufacturer's 6-month exclusivity period granted by the FDA expires.
